

Why join the Citizens Engagement Academy?

Residents will:

- Gain a deeper understanding of how City Departments work together
- Meet Government Leaders and Department Heads
- Learn about Government Operations from experts in the field

The Citizens Engagement Academy is coming to Your Neighborhood!

The Citizens' Engagement Academy is a **free**-8 week course designed to help those who serve in a leadership role in their neighborhoods, or have an interest in becoming active, learn more about local government and gain ideas to make their neighborhoods stronger.

Learn how to become involved, stay informed and make a difference in your community!
